RE : Working Class Summit

Dear SAFTU National Office Bearers,

As you would know NUMSA had its recent successful 11th National Congress in Cape Town. A Congress whose outcome, its decisions and leadership is under attack. The Organization is currently busy defending its important water shed National Congress and as such we will be in court tomorrow to defend the 11th National Congress and its leadership where there is a desperate attempt to take it to jail on allegations of contempt of court. Given this situation NUMSA is not in a position to participate in any shape or form in the convened co-ordinated SAFTU Working Class Summit.

We trust that you will find this position of NUMSA to be in order

Yours faithfully,

Irvin Jim
NUMSA General Secretary
